

Aloha! We are happy to have your campers join us on our island adventure where we will discover the treasure of salvation in Jesus! Throughout the morning, your campers will enjoy games, music, skits, crafts, new friends, and the life-changing stories of the Bible!

As you prepare your campers for a week at SonTreasure Island, here are some practical ways you can enhance their experience:

- ★ Fuel your campers for the morning with a hearty breakfast.
- ★ Have your campers wear comfortable play clothes and tennis shoes for outdoor play—rain or shine.
- ★ If your campers have allergies and are uncertain about eating our daily snacks, please pack a simple snack (e.g., granola bar) and mark the snack with their name.
- ★ Help your campers cultivate compassion for others by encouraging them to look for those who may need a special friend.
- ★ Bring your campers to the auditorium for check-in at 8:45 a.m. We encourage you to stay for the opening music and skits in the auditorium where you will find chairs for parents along the back wall.
- ★ Join us at 11:35 p.m. in the auditorium for the closing music and mission project.
- ★ Pick up your campers promptly at 12:00 p.m. Please note that photo ID will be required.
- ★ At the end of the morning, ask your campers about their new discoveries!
