

# Global Outreach Team **APPLICATION**

Port-au-Prince, Haiti  
October 6-13, 2018

# Trip Information

We are glad you are applying to participate in this Glenwood Community Church global outreach (G.O.) team to Haiti. This team will be traveling October 6-13, 2018 and will be participating in a house building project near the campus of STEP Seminary. Each team member will be responsible to help raise the financial support for this trip, which is approximately \$2000 per person.

Take time to answer the questions on the following pages prayerfully. The questions are designed to help us and you assess your fit for this team. The goal for our team is to share the life and love of Jesus Christ through relationships while we work on the designated project. This trip is intended for people who are currently serving in our body, who have a ministry mindset to give to others what God has given us in Christ, and who have abilities that match the nature of the work.

Please return the following completed application as well as a Glenwood ministry application (if you have not previously completed one) to Shelly Kirgiss or the church office by **August 7, 2018**. Once your application has been read by the G.O. team leader and appropriate ministry staff, we will contact you regarding next steps.

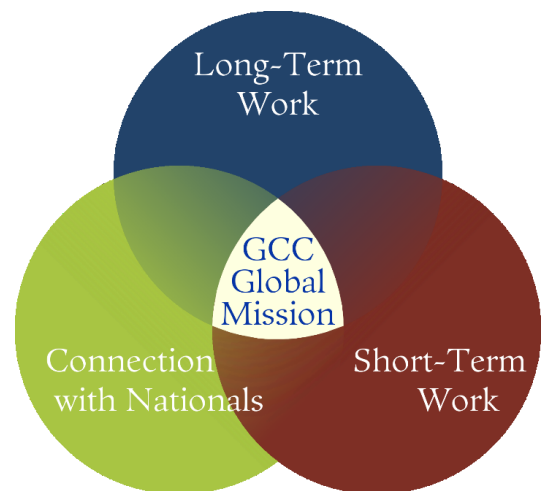

## Why We Send G.O. Teams

The mission of God throughout the Bible is to redeem His people so they might bless the world. That work of redemption and reconciliation happens everywhere, globally and locally. Mission is not simply a Christian traveling to a different country to preach to a different group of people. Mission is the work of God in our homes, neighborhoods, Clark County & Portland Metro areas, our country, and the world.

As we seek to take part in the mission of God, Glenwood's global outreach strategy is to support those called to serve on a long term basis, to assist the development of national workers and leaders, and to send short term G.O. teams to resource those leaders. Locally, we strive to partner with certain families and organizations that likewise seek to further the work of God in our community.

We envision participating in Christ's Global Mission in three ways:

1. Developing partnerships with and supporting long-term missionaries.
2. Developing partnerships with and supporting like-minded local nationals working to fulfill Christ's mission.
3. Sending short-term teams from Glenwood to strengthen relationships and resource our ministry partners.

## Short Answer Questions

1. Why do you want to participate in this G.O. team?

2. What do you hope to see happen in your life and in the lives of others as a result of going on this trip?

3. Have you traveled outside the United States? If so, what was the purpose of your cross-cultural travel?
  
4. Working in Haiti can require long days of manual labor in the hot, humid, tropical sun. You could be exposed to diseases that are not prevalent in the United States. Do you have any health concerns in regards to traveling to a third-world country? Is your health suitable to perform manual labor in these conditions?
  
5. What is your current involvement with Glenwood's ministries in Haiti?
  
6. If someone were to ask you what it means to have a relationship with Christ and how he or she could have one, what would you say?
  
7. What skills, strengths, gifts or experiences do you have that would benefit this trip?
