 - a) Assessment of new applicants
 - b) In-depth follow up and communication with viable applicants
- So far, we have interacted with over 40 applicants, with several meeting the standard of a viable applicant
- The week of May 20th the search committee invited an applicant to meet with the committee, the elders, the church board, and staff. In the next 2-3 weeks, we will determine whether to move this applicant into the next phase of evaluation
