# PRISONER FOR CHRIST

Acts 28:11-30

## SERMON QUESTIONS

- How is Paul able to face dangerous circumstances and an uncertain future in chapters 27 and 28? (See Acts 23:11).
- Why is Paul being imprisoned according to Paul? (see v. 20). Why is this significant?
- Why is Paul's Old Testament quotation so controversial to his listeners? (v. 25-27)
- How is this final scene similar to the rest of the book of Acts? Why is this a fitting conclusion?
- How does God's sovereign control over Paul's life and ministry affect how you think and live in these complicated times?
- How has God used the book of Acts as a whole to challenge, encourage and equip you?

Memory Verse:

**ACTS 28:30**

*And he stayed two full years in his own rented quarters, and was welcoming all who came to him, preaching the kingdom of God and teaching concerning the Lord Jesus Christ with all openness, unhindered.*
