## Lifework

- 1. Take what we've learned this week about the 3 aspects of what it means to image God (reflect, relate, represent) and prayerfully ask God to help you bear His image more overtly this week.
- 2. Go out of your way this week to demonstrate respect and love towards a person whom you suspect is less valued by society. Learn their name and enough about their life that you can pray for them throughout the week.
- 3. Pay attention to examples of how our culture thinks differently about mankind's purpose and identity. Come next week ready to share an example.
- 4. Consider the importance of the human body in being truly human. How does having a physical body inform our understanding humanity?
