Covid-19 Self-Screen Assessment

Parents must screen students for signs and symptoms of COVID-19. All GCC staff must self-screen prior to attending camps.

- All GCC staff and students will take their temperature before attending camps. Any individual with a temperature of 100.4°F will not be permitted to attend camps.
- Any individual with a household member who has been currently diagnosed with COVID-19 or with symptoms of COVID-19 (including a fever above 100.4°F) must stay home.

Has your student experienced any of the following symptoms in the past 48 hours:

- fever or chills
- cough
- shortness of breath or difficulty breathing
- fatigue
- muscle or body aches
- headache
- new loss of taste or smell
- sore throat
- congestion or runny nose
- nausea or vomiting
- diarrhea

I agree, that I will screen my student for Covid-19 up to 48 hours prior to camp.

Covid-19 Guidelines for Camp

To ensure safety, we have guidelines in place. Masks will need to be worn indoors and on the bus, exceptions include; eating, drinking, or sleeping. Masks are not required for outdoors activities.

Consent

I hereby give my consent for my son/daughter to attend 2022 youth camps sponsored by Glenwood Community Church. Unless otherwise noted, I approve of his/her participation in all the activities connected with this camp, including transportation to and from the camp. I furthermore authorize the official leaders of the camp to stand in my stead in authorizing needed medical treatment in case of an emergency. Reasonable effort shall be made to contact me prior to the exercise of such authority.

I also recognize that if my child behaves in an inappropriate manner, the leaders of this activity may call and request that I make arrangements for my student to return home at my expense.
